Sub: - Letter of Appreciation value engineering work in “**Battery Restoration Services.**”

Dear GreenBatt Energia team,

On behalf of our company, we appreciate your service provided to us on time and adherence of your commitment towards the expectation of customer.

We, would also like to express sincere appreciation to you & your team for the excellent services to our company as one of the most renowned Battery Restoration Services. The efforts put by your team as quality work and delivering services as per the expectation of customers is commendable.

We wish GreenBatt Energia team will continue in contribution and fulfillment of customer requirements towards Battery Restoration Services.

Regards,

Mr. Ganesh Illamalle
